

# Surface Preparation Equipment Accessories

## FEATURES

- Use wet or dry on surfaces
- Commercial grade Velcro® fastener system
- Up to 15,000 square foot service life per set
- Attaches without removing multi-accessory disc on SG12 & SG24 Legacy Series Surface Grinders

## PRO POLISH™ SYSTEM

The Pro Polish System is the simple and cost affordable to solution to many concrete polishing applications. Designed for use with popular models of single and dual head, low-speed surface grinders, the Pro Polish System produces high-quality, polished surfaces without the need for expensive and complex job-specific equipment. Designed specifically for use by both contractors or weekend, do-it-yourselfers alike on a wide variety of smaller concrete polishing projects. Delivers professional results without the professional investment!

The Pro Polish System utilizes a series of seven 12 inch-diameter (305 mm) diamond discs which are quickly and easily secured to the grinder head using Velcro® fastening. What makes it unique is the matrix chemistry of the resin is formulated to deliver productive results even at the lower rotational speeds commonly found with conventional, low-speed surface grinding equipment. Can be used with popular models of General, EDCO®, Stow® and MK Diamond® surface grinders.

Polishing discs range from 50 to 3000 grit and are color coded to simplify the progression from one disc to the next. Users need only to follow the pad color sequence until the desired results are obtained. Densifiers are normally applied to the surface after the 400 grit polishing disc to help intensify the brilliance of the floor shine.

## SPECIFICATIONS

<b>Polishing Disc Attachment Method</b>	Commercial quality Velcro
<b>Disc Diameter</b>	12.0 inch (304.8 mm)
<b>Type Matrix</b>	Resin/diamond
<b>Part Number Specification</b>	SG12-2200-010, driver disc, color: black SG12-2200-020, 50 grit, color: yellow SG12-2200-030, 100 grit, color: orange SG12-2200-040, 200 grit, color: red SG12-2200-050, 400 grit, color: blue SG12-2200-060, 800 grit, color: green SG12-2200-070, 1500 grit, color: white SG12-2200-080, 3000 grit, color: tan SG12-2200KIT (1 each, driver disc & polishing discs + 1 carry case) SG24-2200KIT (2 each, driver disc & polishing discs + 2 carry cases)
<b>Product Dimensions (L x W x H)</b>	13.25 x 13.0 x 12.9 inches (336.6 x 330.2 x 327.7 mm), each carry case
<b>Product Weight</b>	SG12-2200KIT 51.8 lbs (23.5 kg); SG24-2200KIT 103.6 lbs (47.0 kg)
